

# Room 5 Homework 1-5-09

## Spelling

This week, we want you to practice spelling the days of the week.

If you have online access, go to our class wiki. On the homework page is a link to spelling city. Here you can practice and learn how to spell number words and the days of the week in a great variety of ways.

## Maths

There is a lot of different activities that can be done to assist your child with their maths.

The clearest guidelines, based on the numeracy strategy, can be found online on:

[www.nzmaths.co.nz](http://www.nzmaths.co.nz)

Select 'families' in the left hand navigation bar.

## Reading

Things you can talk about after or during reading:

- fiction or non-fiction
- is it a narrative? What was the setting? What did you learn about the characters? What was the problem? How was it resolved?
- choose an appropriate word and talk about synonyms for that word—if you took that word out, what words could go in its place. Try a few out.
- check a word meaning in the dictionary.
- what were the most important
